**Caring, inclusive, quality, innovative**

**The School of Opportunity**

Dear Parent

I would like to take this opportunity to welcome you into the safe and dynamic learning environment we have on offer for your child at Bathurst West Public School.

I am sure you will agree that a happy, safe and successful education is critically important and I can assure that together we can achieve this for your child.

We also know and value the importance of how you have nurtured and taught your child over the past five years. We commit strongly to fostering this with our 'Belonging, Being, Becoming' Kinder transition program of which you will be a vital member of our team and planning.

At the heart of any successful; education is a strong set of values. Our highly trained and qualified teachers will your child learn the true meaning of inclusion, honesty, excellence, respect, responsibility, participation, care , integrity and fairness.

The important outcomes for your child for your child learning these values include:

- A love of learning, high expectations and a pursuit of achieving our best,
- Care and respect for self, for peers, for families and for the community,
- A commitment to fairness and social justice, and
- An appreciation of Australia's history and multicultural society.

At Bathurst West Public school we offer additional programs that add to the high quality education our students already receive, such as:

- Band
- Opera House and eisteddfod choirs
- Dance and art groups
- Environmental groups
- Premier's Reading Challenge
- Premier's Sporting Challenge
- Sport

I hope to meet you and your child very soon to show you around a wonderful school.

Regards

Toni MacDonald
